• Building Character - Educate

We explicitly teach our values and high expectations to build character

- Assemblies – mornings and afternoons
- Form time mentoring and activities
- Subject weeks
- Leadership opportunities

The infographic is a vertical green banner. At the top, three colored boxes (green, orange, blue) represent the core values: Curiosity, Determination, and Kindness. Each box has an icon and a list of behaviors. Below these is the Endon High School crest with the motto 'There is more in you'. The middle section lists three expectations: Ready, Respectful, and Responsible, each with a brief description. The bottom section features the 'TEAM ENDON' logo and the slogan 'Working together to go beyond our best'.

• Building Character - Praise & Reward

We take as many opportunities as we can to praise pupils that display our values

- Housepoints and accrued certificates
- Daily & weekly celebration
- Reward & celebration assemblies
- Reward trips
- Nominations and celebration Breakfasts
- Leadership opportunities

Curiosity | Determination | Kindness

• Building Character - Intervention

Many people, many ways, many strategies

- Well trained staff
- Specialists
- Strong pastoral and SEND teams
- Teamwork & positive parenting
- The power of positive conversations

Curiosity | Determination | Kindness

• Building Character - Sanction

If lines are crossed and pupils make poor choice

- High expectations and choices
- After school reflections
- Time out, hot seat, isolation, suspension and exclusion.
- Tracking, plans and reports

The infographic is divided into three main sections. The top section features three colored boxes: green for 'Curiosity', orange for 'Determination', and blue for 'Kindness'. Each box contains an icon and a list of behaviors. The middle section features the Endon High School crest and the motto 'There is more in you'. The bottom section is a dark green area with three columns of text under the headings 'Ready', 'Respectful', and 'Responsible'.

The Curriculum

It is our belief that the school curriculum is essential in determining, moulding and empowering the young people we would want to turn out in order that they can take their place in society as responsible citizens and confident lifelong learners.

The curriculum has at its heart the notion that to develop young people in a rounded way there is a need to develop them physically, aesthetically, musically, spiritually and culturally.

To meet this need, we have

- ELSA trained staff

What do we have on offer?

Mental Health Student Ambassadors
The trained Mental Health Student Ambassadors are available to talk to any students during form time and this can be arranged through your child's form tutor.

Boxing Programme
Weekly boxing sessions are available with personal trainer, Dan Walker. Pupils learn physical health and mental health through boxing. Sessions are free to pupils but there is limited availability. Sessions occur during school time and are also available as an Endzone activity. For more information, please contact your child's form tutor, Miss Hunt, or Mr Bamba.

Well-Being Drop-In Clinic
Every Tuesday morning from 8am, our in-school ELSAs will be available to talk to. Students can pop along to talk about any issues or worries they may be experiencing. Just get in touch.

Mindfulness Workshops
We have Mindfulness Workshops available for students to access within school, which will train them how to utilise mindfulness as a fantastic coping strategy. These workshops take place within school time, just get in touch with Mrs Tapley for more details.

Lego Therapy
Lego Therapy is a group intervention ran by our in-school ELSAs, Miss Hunt and Mrs Dawson. The intervention runs during school time for 6 weeks. The intervention is specific, structured, and targeted at building teamwork, social skills, communication, taking turns, and eye contact. It is not just playing with Lego! Upon completion of the intervention, students are entered for an AQA Unit Award to recognise their hard work and achievement.

Mind Counsellor
Our North Staff Mind Schools Counsellor, Sara Inskip, is available for students to talk to should they require a higher-level tier of support. Referrals can be made within school by Progress.

Education Mental Health Practitioner
Our NHS Education Mental Health Practitioner, Tom Martin, visits school every Monday. Tom is able to offer low-level mental health support for various issues linking to wellbeing and mental health, including anxiety, worries, and stress. Tom is able to work with students both 1:1 and in small groups. Tom's interventions are primarily based on CBT and guided self-help techniques. If you feel your child may benefit, please speak to their Progress Manager.

School Nurse
We have the School Nurse attending school once a fortnight to see students with any issues linking to both physical and mental health.

Virtual Drop-In
The virtual drop-in, hosted by a School Nurse, is open to parents/carers and young people of Staffordshire. The virtual drop in takes place each Thursday between 3.30pm and 4.30pm, even during the school holidays. If you need to speak to a School Nurse outside of these times please call the freephone Hub number: [0800 178 0611](tel:08001780611) and press option 1.
