

Rewards Trip to Alton Towers

Each year we try to encourage students to have a positive attitude to their learning, contribute to the wider school community and apply the school values in the way they conduct themselves in school.

As a reward for this I would like to invite them to join us for the end of year trip to Alton Towers.

We will be leaving school at approximately 9:30am and should return at around 6:00pm. Pupils will not be required to wear school uniform. They will need to bring a packed lunch or money to purchase food. A hat, some water and sun cream will be needed if it is a nice day and appropriate clothing if it is a wet day.

Please note that pupils will not be supervised by staff at all points during the day - they will walk around in groups of 3+. Staff will monitor pupils entering and exiting the Park. The details of staff will be logged with the Alton Towers team so that they are contactable at all times during the day, and pupils will be informed how to access this.

All pupils will be expected to follow instructions regarding safety when they are in the Park (both written on signs or verbalised). All pupils will be required to 'sign in' with staff at one point during the day to check that they are ok.

Please note that to ensure all students have a great time on this visit, students will be risk assessed for their ability to follow instructions and be safe until the date of this trip, and students that do not meet these behavioural expectations may not be permitted to attend.

Pupils who do not wish to go on the trip are expected in school as usual.
